Abstract

During this unit the student will work and he will develop the necessary skills on english language which are going to help him to talk about the actions and things in progress over a period of time.

Keywords: (Am-Is-Are) Ecology and Technology.

Objetivo general:

Expresar eventos presentes, pasados y futuros en un discurso oral y escrito para llevar a cabo procesos comunicativos simples tales como narrar experiencias y sucesos, proporcionar consejos y describir planes futuros en un contexto familiar e inmediato en una segunda lengua

Nombre de la unidad: What is happening?

UNIDAD I: Protecting our world

Objetivo de la unidad: Explicar hábitos, rutinas y estados temporales.

Tema: Protecting our world

1.1. Present Continuous

Introducción: Present Continuous is used for talking about actions and things in progress, it means, you can describe whatever that is happening at the moment.

Tema: What is happening in our World?

People **is** polluting the planet.

Humans **are** not taking care of the planet

I **am** using Green options to save the planet

As can be seen above

We use verb “TO BE” in order to describe who is doing the actions.

We use as well the “**ing**” at the end of the main verb in order to indicate that is happening at the moment.

Tema: What is happening in our Word?

As can be seen bellow

People **is not** polluting the planet.

Humans **are not** not taking care of the planet

I **am not** using Green options to save the planet

For negative form we only add “not” to the verb to be in order to indicate that the action is not happening

.

We use as well the “**ing**” at the end of the main verb in order to indicate that is **not** happening at the moment.

Tema: What is happening in our World?

As can be seen below

Is people polluting the planet?.

Are humans taking care of the planet?

Am I using Green options to save the planet?

For interrogative form we only change the order of the words, we use the verb to be at the beginning followed by the subject we use as well the “**ing**” at the end of the main verb in order to indicate that is happening at the moment.
