HUMAN CREATIVITY

GREAT INVENTIONS AROUND THE WORLD
ABSTRACT:

In this class, we talk about great scientific, artistic, technological contributions around the world and how they have changed our lives.

• **Key words:** invent, create, innovate, compose, famous names, science vocabulary.
OBJECTIVE:

• At the end of the class, students will be able to talk about great inventions and their inventors using active and passive voice in past tense.
COMPETENCES

# 4. Student expresses him/herself and communicates.

“He/she listens, interprets and communicates relevant messages to different contexts by using appropriate means, codes and/or tools”

Atribute:

• #4. He/she communicates in a second language in every day situations.
Have you ever thought about how would be your life without these inventions?
Our lives will be so rudimentary:

And our creativity never had been developed !!!!!!
Tell me, what do you know about these inventions?
Complete the chart:

Through history, men and woman have tried to improve our lives using their creativity...

• For example:
  In 100 BC, Chinese people created the paper.

  Note: When we focus on the person who creates or invents something, we talk in active voice.

  One of these people was Cai Lun, who created it in 105 BC.
But, when we focus on the invention we use the passive voice.

Cai Lun *invented the paper* in 105 BC.

The paper *was invented by Cai Lun (a Chinese man)* in 105 BC.
Let’s do another example:

Thomas A. Edison **invented** the light bulb.

The light bulb **was invented by** Thomas A. Edison.
What about with an irregular verb in past??!!

Do you know her??

She was Mary Shelley and wrote a wonderful novel called Frankenstein.

(active voice)

The novel Frankenstein was written by Mary Shelley.
Now, we go to practice:
